

Cultural Diversity and Cultural Exchange

The Programme supports projects contributing to the presentation of contemporary art and culture and its access for the broader public. Its aim is to increase cultural dialogue between Spain and Norway, Iceland and Liechtenstein and to promote European identity through a better understanding of cultural diversity.

Objectives:

- To increase cultural dialogue and to foster European identity through the proliferation and exchange of cultural diversity.
- To present the diversity of contemporary art and culture, and to promote cultural exchange with the donor states in the field of live arts.

Outcomes:

- Contemporary art and culture presented and reaching a broader audience, supporting institutions and individuals for cultural cooperation projects.
